SUMMARY

I have 5 + years experience of software development. I like working on the edge when it comes to user experience design, and love the challenge of bringing new ideas to life. I am passionate about what I do and look forward to assignments that enable me to add value and expand my horizons. I can stick to deadlines, work under-pressure and work with minimal or no supervision.

I have worked in application web and android development

EXPERIENCE

- **2020 - Present** **FULL STACK WEB DEVELOPER**
self study, internet courses
Firebase, Node js, Angular
